Dear Mr. President:

A radio newscast this date by Fulton Lewis, Jr. disclosed that a lawyer named Prof. Norman Redlick (spelling?) is retained by the Warren Commission investigating the Kennedy assasination. It was reported this lawyer, who advises the Commission, has been identified with many Communist-front organizations. He is paid $100.00 per day of our taxpayers money!

If this be true, it is beyond my comprehension, and I feel the public is entitled to know what is really going on in this regard. Was no better-qualified attorney available? I sincerely hope you will have this situation cleared up.

Respectfully,

Charles R. Wylie
